

SAN DIEGO COUNTY FLOWER & PLANT ASSOCIATION

“Our mission is to strengthen, advance and support the floriculture industry in Southern California..”

# Marilu Johnson Memorial Scholarship Fund

The San Diego County Flower & Plant Association has presented their scholarship award annually since 1975 to deserving students who are studying floriculture at an accredited college or university. Our goal is to encourage young people to pursue a floriculture career in California and more specifically in San Diego County.

100% of your tax deductible contribution will be awarded to an applicant at our Annual Dinner in June 2010. You can be assured that your donation will be wisely invested towards the growing of our future floriculture leaders in San Diego County. Please take a few minutes to review your educational experiences and remember how appreciated scholarship funds were, are and could be.

Thank you for your generosity and support.

Please complete the following and return to the address below with your donation.
